

Sensory Integration Therapy Services in Wisconsin

This is a partial listing of therapists and centers providing sensory integration therapy in the state of Wisconsin. Most often therapists providing sensory integration services are occupational therapists with additional training and experience in sensory integration techniques. The information contained on this list does not constitute an endorsement. Contact therapists and centers directly for more information about costs, insurance, Medicaid, and for therapy specific information. Request therapists with expertise in sensory integration. Information current: 6/08

Southeastern Wisconsin:

Carol Wingenter, OTR, Brookfield, WI (262) 783-9863
