

2021

Annual Report

Down Syndrome Association of Wisconsin, Inc.

Message from Our Leadership

Dear Friends,

What an exciting year it has been for the Down Syndrome Association of Wisconsin! With your help, we have been working to change the lives of our friends with disabilities across the state.

In 2021, we accomplished some amazing things together. Last year alone, we provided over **12,000 hours of direct services to people with disabilities**. That includes **3,686.23 hours of daily living skills training**, and **4,252.60 hours of job coaching services**! Although we are a local organization, we welcomed **65,000 unique visitors from 99 countries** worldwide to our website. We sent out **71 New Parent Welcome Baskets and Expectant Parent Packs**, and we welcomed over **8,000 walkers and donors to 8 Down Syndrome Awareness Walks** across WI. We also awarded **33 enrichment grants to families in need** and provided **13 educational webinars** to audiences across the country.

Thank you to our many generous donors, partners, sponsors, and friends. Without you, none of our work would be possible. Please know that every donation, however large or small, plays a crucial role in our mission. We know you by name, and we are grateful for you.

Warmly,

A handwritten signature in black ink that reads "Dawn Nuoffer". The signature is written in a cursive, flowing style.

Dawn Nuoffer
President/CEO
Down Syndrome Association of Wisconsin

About DSAW

MISSION

The mission of the Down Syndrome Association of Wisconsin (DSAW) is to support Wisconsin families and individuals with Down syndrome and related disabilities through awareness, education, information, programs, services, and the exchange of ideas and

VISION

We promote the value of those with Down syndrome in our lives and our communities. We continually strive toward full acceptance, full access, full potential, and a full life to make Wisconsin the best supported state for people with Down syndrome and their loved ones.
